Coming soon to the Town of Steilacoom

AUTOMATED GARBAGE SERVICE

LeMay Pierce County Refuse customers living within the town limits of Steilacoom will soon have automated garbage service! Each customer will be provided with a new forest-green wheeled garbage cart based on your current service level. Rates will remain unchanged for the new service.

Automated Collection uses specialized wheeled carts to store your trash. The carts are emptied using a mechanical arm on the collection vehicle. This system is a safer and more efficient method of collection.
