

## **Town of Steilacoom / Bonneville Power Administration (BPA) Ductless Heat Pump Rebate Program**

### **Fall Manufacturer Promotions**

The Town's BPA Ductless Heat Pump Rebate Program offers an \$800 rebate for the installation of qualifying ductless heat pumps in electrically heated homes. This fall you have the option to save additional money on ductless heat pumps ahead of the winter heating season. Many manufacturers are sweetening the pot with consumer rebates for several of their ductless systems, including:

- **Bryant:** Save up to \$150 through November 15
- **Carrier:** Save up to \$300 through November 30
- **Daikin:** Save up to \$1,000 through October 31
- **Lennox:** Save up to \$200 through November 22
- **Ruud:** Save up to \$125 through November 15

Contact your local heating and air conditioning installer or go on the internet to <https://goingductless.com/rebates-promotions> for additional rebate information.
